Role at WCD: Discipling Environments Catalyst

Email: shunter@transformcma.ca

A considerable portion of my role is to research best thinking and practice around the area of Disciple Making. I know that God has been moving many of us forward in this call. We see indication of Him stirring up a new thing in the area of disciple making- on a national and global scale. I can't wait to connect with staff around the WCD to hear what God's been doing in our midst. I am honoured by the opportunity to hear from you- your learnings, experiments, struggles, context, and whatever you think would be helpful to me, as I discover our present reality, and dream with you for future possibilities. I welcome you to reach out to me at shunter@transformcma.ca or (403)-265-7900 ext 211 to arrange a connection.
